Areas of museum

Ⓕ **15** Four Seasons — *Here you can watch a four-minute animation (动画片) of a woodland scene. It was designed especially for the museum by a group of young people on a film studies course, and it's beautiful.*

Ⓖ **16** Farmhouse Kitchen — *Here we have the oldest collection of equipment for making butter and cheese in the country. And this morning, a specialist cheesemaker will be giving demonstrations of how it's produced.*

Ⓔ **17** A Year on the Farm — *There's lots of seating here as sometimes we use the room for school visits, so it's a good place to stop for a rest. If you're feeling competitive, you can take our memory test in which you answer questions about things you've seen in the museum.*

Ⓐ **18** Wagon Walk 马车 — *This contains farm carts from nearly every part of the country. It's surprising how much regional variation there was. Beside the carts ~~are display~~ boards with information about each one. The carts are old and fragile, so we ask you to keep your children close to you and ensure they don't climb on the carts.*

Ⓒ **19** Bees are Magic — *but we're redeveloping ~~this area so~~ you can't visit that at the moment. You can still buy our honey in the shop, though.*

Ⓑ **20** The Pond — *Finally, there's The Pond, which contains all kinds of interesting wildlife. There are baby ducks that are only a few days old, as well as tiny frogs. The Pond isn't deep and there's a fence around it, so it's perfectly safe for children.*
