PART 2 Questions 11–20

Questions 11–16

Choose the correct letter, A, B or C.

救生艇

Working as a lifeboat volunteer

- ① 11 What made David leave London and move to Northsea?

interest **A** He was ^{adj. 热切的, 渴望的} eager to develop a hobby. *I'd been really keen on boats as a teenager, and I thought if I went to live by the sea, I might be able to pursue that interest a bit more in my free time.*
B He wanted to work shorter hours.
C He found his job in website design unsatisfying. *I'd been working in London as a website designer, but although that was interesting, I didn't like city life.*

- ② 12 The Lifeboat Institution in Northsea was built with money provided by

a generous member **A** a local organisation. *It was built 15 years ago with funds provided by a generous member of the public who'd lived here all her life.*
B a local resident. *居民*
C the local council. *委员会* *As the Lifeboat Institution is a charity that relies on that kind of donation, rather than funding provided by the government, that was a huge help to us.*

- ③ 13 In his health assessment, the doctor was concerned about the fact that David

vision **A** ^{健康评估} might be colour blind. *I used to be short-sighted, so I'd had to wear glasses, but I'd had laser eye surgery two years earlier so that was OK.*
B was rather short-sighted. *近视的*
C had undergone eye surgery. *外科手术* *They gave me tests for colour blindness and they thought I might have a problem there, but it turned out I was OK.*

- ④ 14 After arriving at the lifeboat station, they aim to launch the boat within

到达救生艇站后, 他们的目标是在几分钟内将艇下水 *发动/下水/发射*
A five minutes. *Our target's to get there in five minutes,*
B six to eight minutes. *then we try to get the boat off the dock and out to sea in another six to eight minutes.*
C eight and a half minutes. *Our team's proud that we usually achieve that – the average time across the country's eight and a half minutes.*

- ⑤ 15 As a 'helmsman', David has the responsibility of deciding

舵手 *一组工作人员*
A who will be the members of his crew. *I have to check that the equipment we use is in working order – the crew have special life jackets that can support up to four people in the water.*
B what equipment it will be necessary to take.
C if the lifeboat should be launched. *And it's ultimately my decision whether it's safe to launch the boat. But it's very rare not to launch it, even in the worst weather.*

- ⑥ 16 As well as going out on the lifeboat, David

除了随救生艇出勤之外
raise money *raise money*
A gives talks on safety at sea. *A lot of people underestimate how quickly conditions can change at sea, so I speak to youth groups and sailing clubs in the area about the sorts of problems that sailors and swimmers can have if the weather suddenly gets bad.*
B helps with fundraising.
C recruits new volunteers. *We also have a lot of volunteers who organise activities to raise money for us, and we couldn't manage without them.*
