The stadium has lots of stairs and the players tunnel is very dark.
Please don't let your children wander off (走散, 溜达) on their own, even for a minute. We don't want any accidents or anyone getting frightened. ©
Cameras are permitted everywhere and you can take pictures of your child shooting a penalty (点球, 处罚). Assistants are helping to organize this and hopefully the queue won't be too long. A
It's very hot and sunny out on the pitch (球场) today. D
You can get food and drink at the cafe and I really recommend the healthy lunch boxes for children. E
Also in the cafe, children are invited to do a football themed drawing. We'll pick the best one at the end of the afternoon, so don't forget to put your name and contact details on the back. That way if you've left the stadium before then we'll send your prize, but sadly we can't return drawings. B
